BURGLARY IN PROGRESS PUTS SCHOOLS ON LOCKDOWN

FRISCO, TX – At around 1:20 p.m. this afternoon, the [Frisco Police Department](#) was notified by a resident living in the 10400-block of Napa Valley Drive that an unknown person was attempting to break into his residence. Officers responded to the area and arrested two males on-scene, while two other males fled on foot.

Shawnee Trail Elementary School and Beary Best Academy are in the vicinity of the burglary and were subsequently placed on a preventive lockdown to ensure that the fleeing offenders did not attempt to enter the schools. The lockdowns are standard procedure and at no time did officers feel as though the schools or its students were in any danger. The lockdowns lasted approximately 45 minutes.

The two offenders who fled on foot have not been arrested, but officers know their identity and are actively working to bring them into custody. The two offenders who were arrested on-scene include 20-year-old Frisco resident Christopher Rios and 18-year-old Plano resident Michael Smith. Rios and Smith are being charged with the offense of Burglary of a Habitation, a Second Degree Felony. Both are currently being held at the [Frisco City Jail](#). No bond has been set at this moment.
